History

It all started when Penny and David Chapman bought a small creamery in Markdale Ontario, a village just south of Georgian Bay, back in 1973.

At the time three big corporations dominated the ice cream market. But Penny and David had a dream to start a different sort of ice cream manufacturing company – one that would deliver a quality product at an affordable price, with the personal touch that only a small company could provide.

Today Chapman's is one of Canada's largest independent ice cream companies with the Chapman family at the head and with the same commitment to high quality and great value ice cream. It's the magic blend of all this that makes Chapman's and the people who make it, perfect – for the kid in all of us. No one else does it quite our way.

With our Chapman's logo placed proudly on every package, Chapman's products are enjoyed by families from coast to coast across Canada. Chapman's Ice Cream stands as a leader in the industry.

David and Penny continue to come to work every day, are deeply involved in the day to day operations and get a kick out of developing new taste sensations and new products.

Joined by their son Ashley, the dream continues. Thanks to the ongoing support of loyal customers like you, their dream is thriving.
